When signed by you, this release grants permission to Media for Learning, Inc. for the use of a recorded interview with you. The interview may be used, in whole or in part, for editorial purposes related to Media for Learning's Teachers on Earth and Kids on Earth initiatives, and for related marketing. The interview may be used on television, in print, in audio or video, and/or the internet throughout the world at any time by Media for Learning, its affiliates and partners, including The 21st Century Learning Project at The University of Virginia.

Media for Learning, Inc. operates as a nonprofit organization in the United States.

You confirm your understanding that your involvement in this initiative serves as full and total compensation for participation. No cash payments shall be paid to you or any third party.
